Hi Dianna,

How's it going? Pretty good I hope. Everythings pretty cool for me. I guess. Well looks like if our high school days are over. We never thought Graduation would come. But it did. And now we're finally out of St. Marys. We had some pretty awesome partying times together. I guess our Jr + Sr. yr. brought us closer together. You became a big part of me. You were there whenever I needed you. And Thanks. We have alot to look back on. Remember the b-ball games that we went all wasted to, the night of Pure Elegance, Chaka Kahn, Big Surf, and of course the "Furious Five". Oh ya we must not forget Tricia & China. Them two are crazier than us. The Furious Five had some awesome times together. Oh well too bad we had to go our separate way. Oh well it was worth it. We also had our little fights, but we managed to get by. We shared alot of memories together. And we shall treasure those in our hearts. We had something real special. I'm real sorry we haven't been getting along. You should know by now how I feel about you. You were my bestest friend during our Jr & Sr yr. I love you Dianna, I really do. You mean a hell of alot to me. I've never loved & cared for anyone like I do for you. What we had was very, very special to me. Everything We did & everywhere we went I really didn't care if we fought because all that really mattered was that I was with you. All I ever wanted to do is be around you. Just being with you made me feel 101% (remember) better. I Love You, alot! I'm sorry I couldn't make you happy. God knows I tried! But I guess I never succeeded. I'll admit it I was an ass before & I'm truly sorry for the way I acted towards you.

School is very much like a film at times. There is a cast (students), producers (Administrators), directors (faculty), a supporting cast (parents), and even special effects (sports and band).

St. Mary's has all the elements of a good movie; humor, drama, action, triumph and tragedy. The entire range of human emotions and experience are portrayed at our school.

As a movie has its credits to tell the players in the story, St. Mary's has its yearbook to serve the same purpose. Captured within these pages are just a few scenes stills from the film-like flow of St. Mary's.

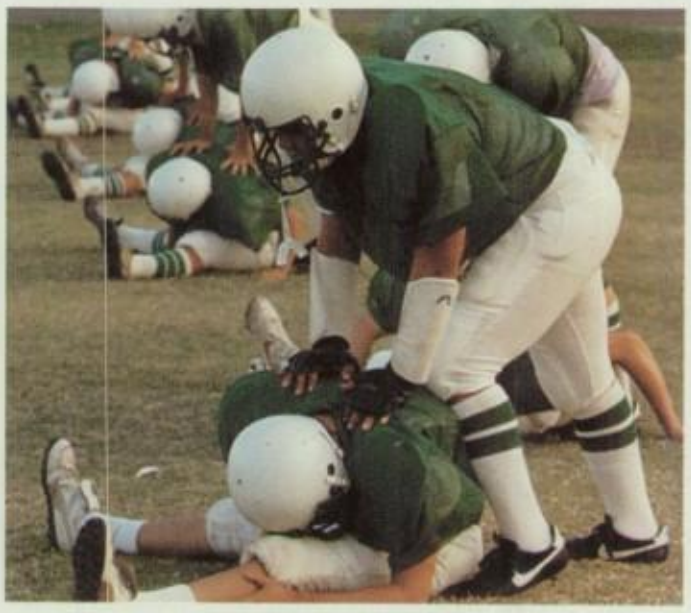
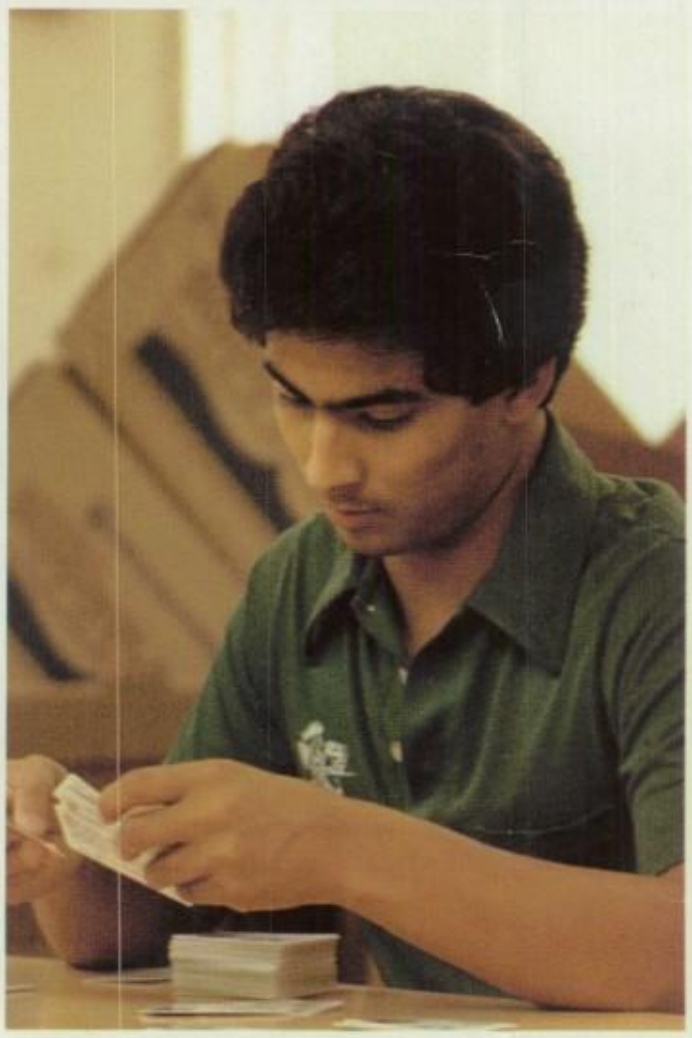
CAMPUS
LIFE

LIGHTS, CAMERA, ACTION!!

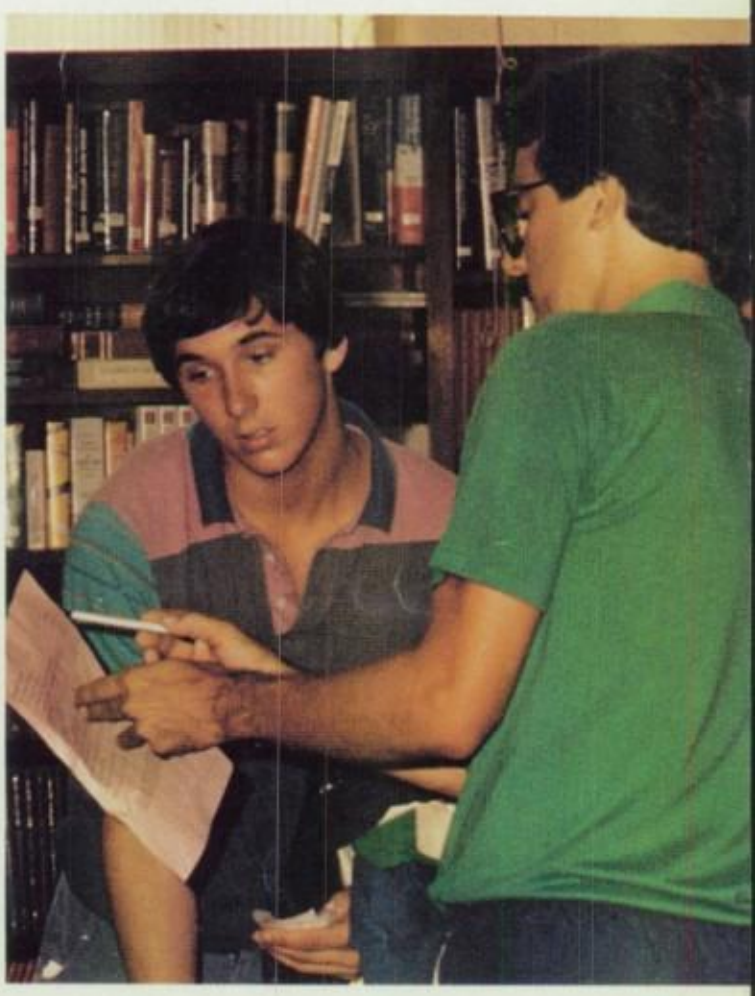
Which one doesn't belong here?





TOP: Angela Chavez, Amy Hurley, Theresa Kennedy, and Wendi Gray "loiter" around on registration day.
LEFT: Mrs. Armola and Maria Flores try to find an extra small shirt.
RIGHT: Varsity players stretch out for practice.
BOTTOM RIGHT: Michael Lopez organizes I.Ds for the student body.

The first day of school is much like a cast call. It's hectic on the set. You are lost in the confusion, and because you are lost, you are also a little embarassed. In a cast call you attempt to impress the producers and directors your auditioning for. On the first day of school you are attempting to make that important first impression on your teachers and classmates.



TOP: "Nothing can come between friends", says Valerie Ornelas and Gloria Salgado.
MIDDLE LEFT: Christina Scieska and Jeanene Wintering count their money made on book day.
BOTTOM LEFT: Christine Saldate waits patiently in line on registration day.
MIDDLE: "What a crowd"!
RIGHT: Mr. Johansen explains class selections to Shawn Murphy.

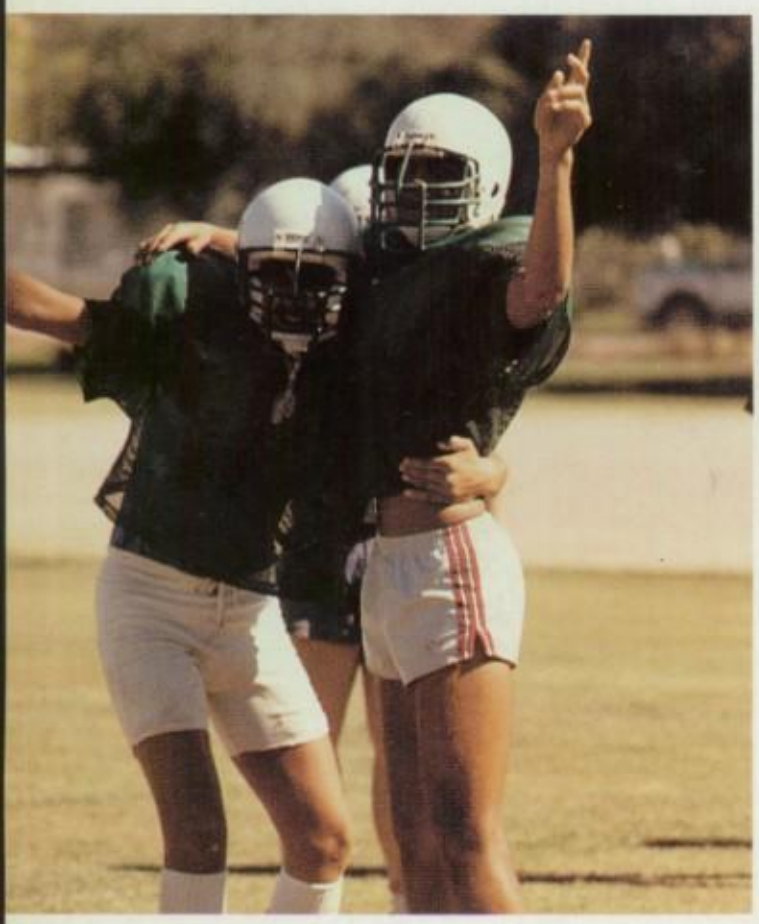
ENTER THE COMEDIANS

TOP: "Only my hairdresser knows for sure". says Andriana Barrey.
MIDDLE: "That will teach you not to talk back to a Senior", says Monica Ramirez, John Loredo, Mark Morales, and Rudy Cortez.
BOTTOM LEFT: "Bzzzzz..."
BOTTOM RIGHT: "Aren't we gorgeous?"

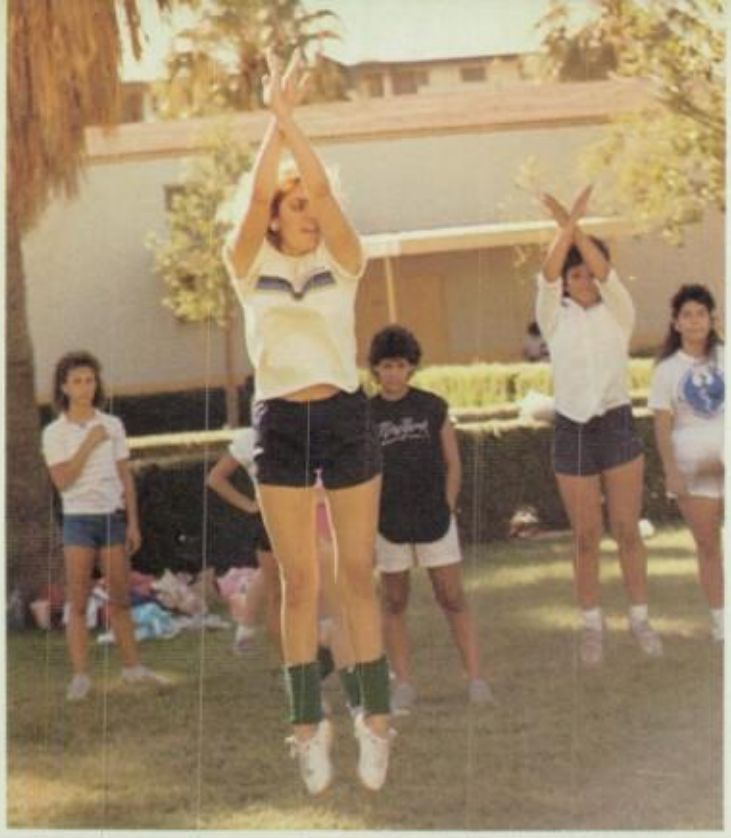
Freshman initiation takes place in the great tradition of the Marx Brothers, The Three Stooges, and numerous other movie clowns. The freshman antics could easily be seen as a Vaudeville routine. With the bright clothes and wacky wayout hair-styles, it's a sure thing that co-medians such as Buster Keaton, Stan Laural, and Oliver Hardy would feel right at home. Freshman initiation is a St. Mary's tradition, but it could just as well be seen as a tribute to the great movie clowns of history.

TOP: "What's wrong with this outfit?" says Bobby Nunez.
LEFT: "May I have this dance?"
RIGHT: "What would mother say?"

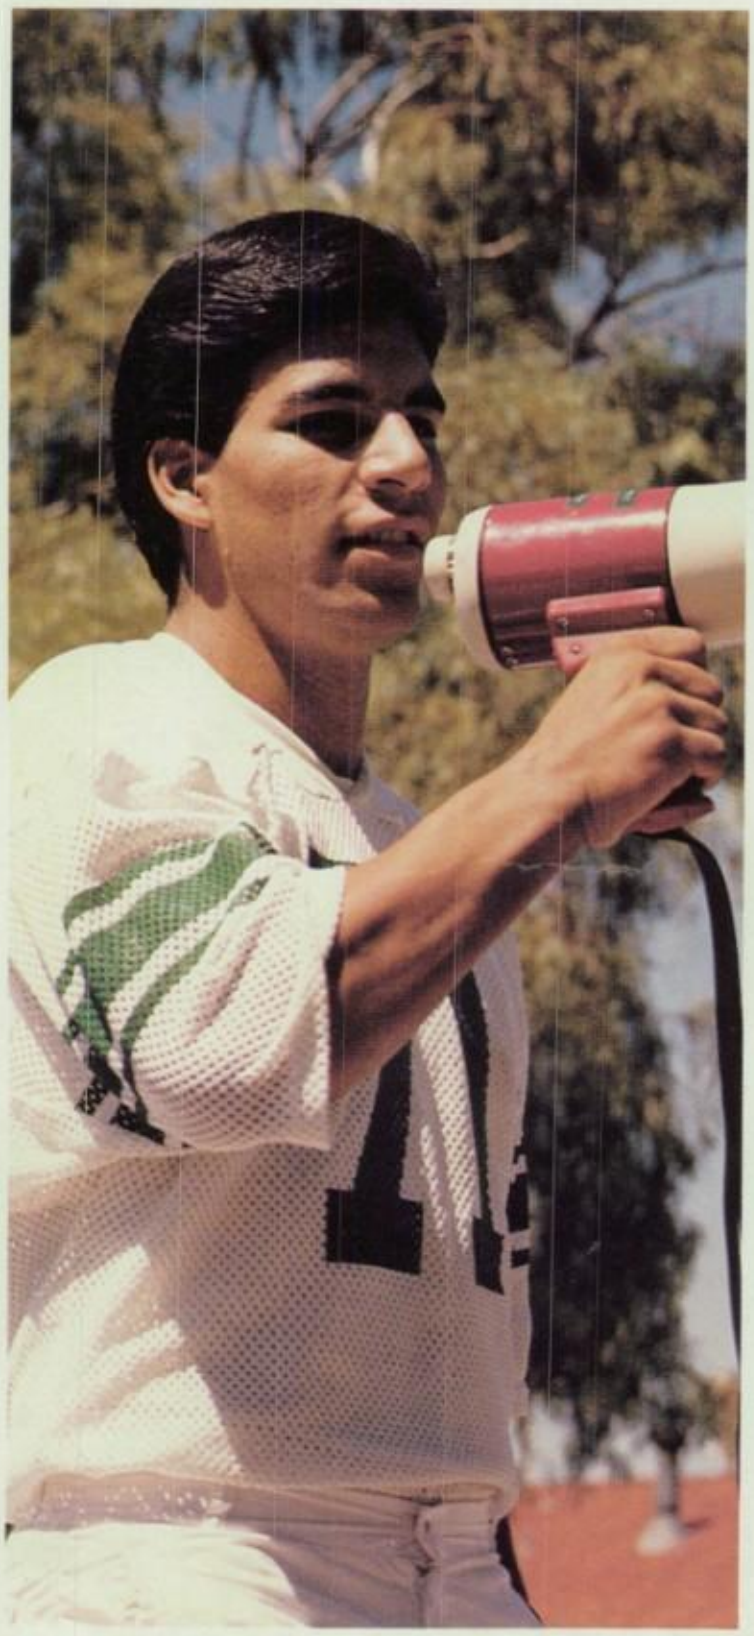
THAT'S SHOW BIZ!



Top Right: Coach D. instructs alignment.
Left: Paul Gaitan and Antony Rojas proud to be Knights.
Middle: Martin Nowakowski, in action at a pep rally, with Seniors: Dominic Dominguez, John Loredo, and Paul Chapman.
Bottom: Juniors show their spirit at a pep rally.

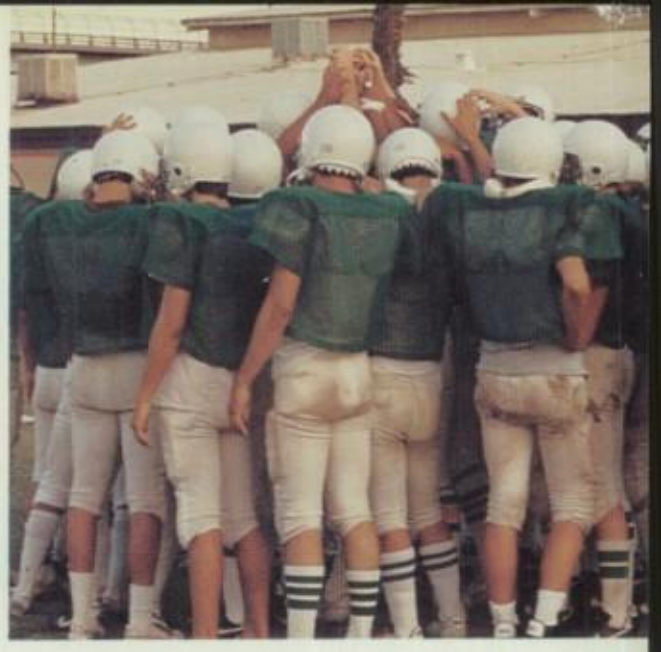


Spirit Week has all the energy and excitement of a Cecill B. DeMille spectacular. During Spirit Week there is a genuine sense of fun and excitement. All the students work together to bring out the inner Spirit for which St. Mary's is so famous. When it accomplishes its goal, St. Mary's becomes more of a family then ever.



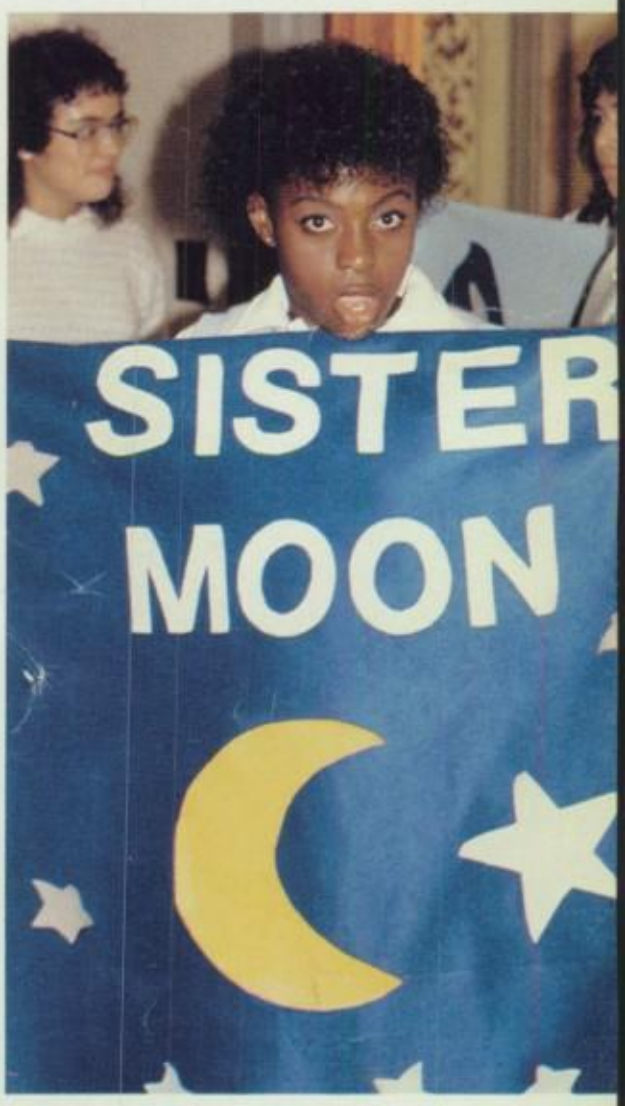
Top: Wendy Gray leads freshman in cheer.
Left: Derek Zazueta revs up the Knights at Pep assemblies.
Right: Junior boys flash their spirit.
Middle Right: Are they really Seniors?

THE FAITH OF S.M.



Top: The team joins together in prayer before practice. Middle: Mr. Smith and Mrs. Lasinski lead the student body in singing. Bottom Left: We are all one big family. Bottom Right: Penne Davis and Tammy Bushman show the real spirit of St. Mary's.

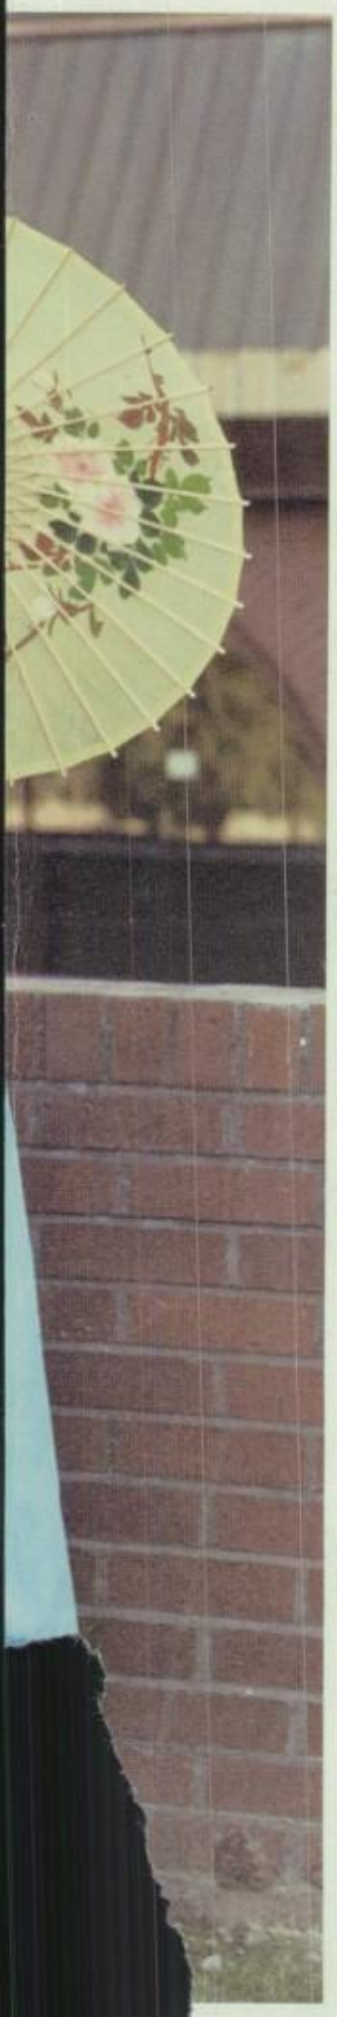
Many movies inspire, enlighten, and give hope. In that regard, St. Mary's Campus Ministry is a production in itself. When the school family comes together to worship, a deep, warm feeling surrounds the school for the rest of the day. And herein lies the differences. Movies are make believe, yet the faith of St. Mary's is real.



TOP LEFT: Students join in the celebration at Mass.
MIDDLE LEFT: Fr. Camillus, Fr. Joe, Fr. Alonso, and Fr. Blaise celebrate the beginning of the school year Mass.
MIDDLE RIGHT: Janelle Fitzpatrick begins the procession for Mass.
RIGHT: St. Mary's students leave Mass filled with the Spirit.
MIDDLE: Fr. Alonso distributes Communion to Horace.

NIGHT OF ENCHANTMENT

HOMECOMING COURT: Jenny Marshall, Christina Saldate,
Queen: Monica Hernandez, Monica Sanchez, Angela Chavez.



HOMECOMING

Homecoming has all the beauty and pagentry of a movie musical. It has that feeling of triumph after winning the homecoming game. It has the sense of magic when a young man and a young woman are crowned King and Queen for one enchanted night. Homecoming is a beautiful, splendid event enjoyed by everyone involved.

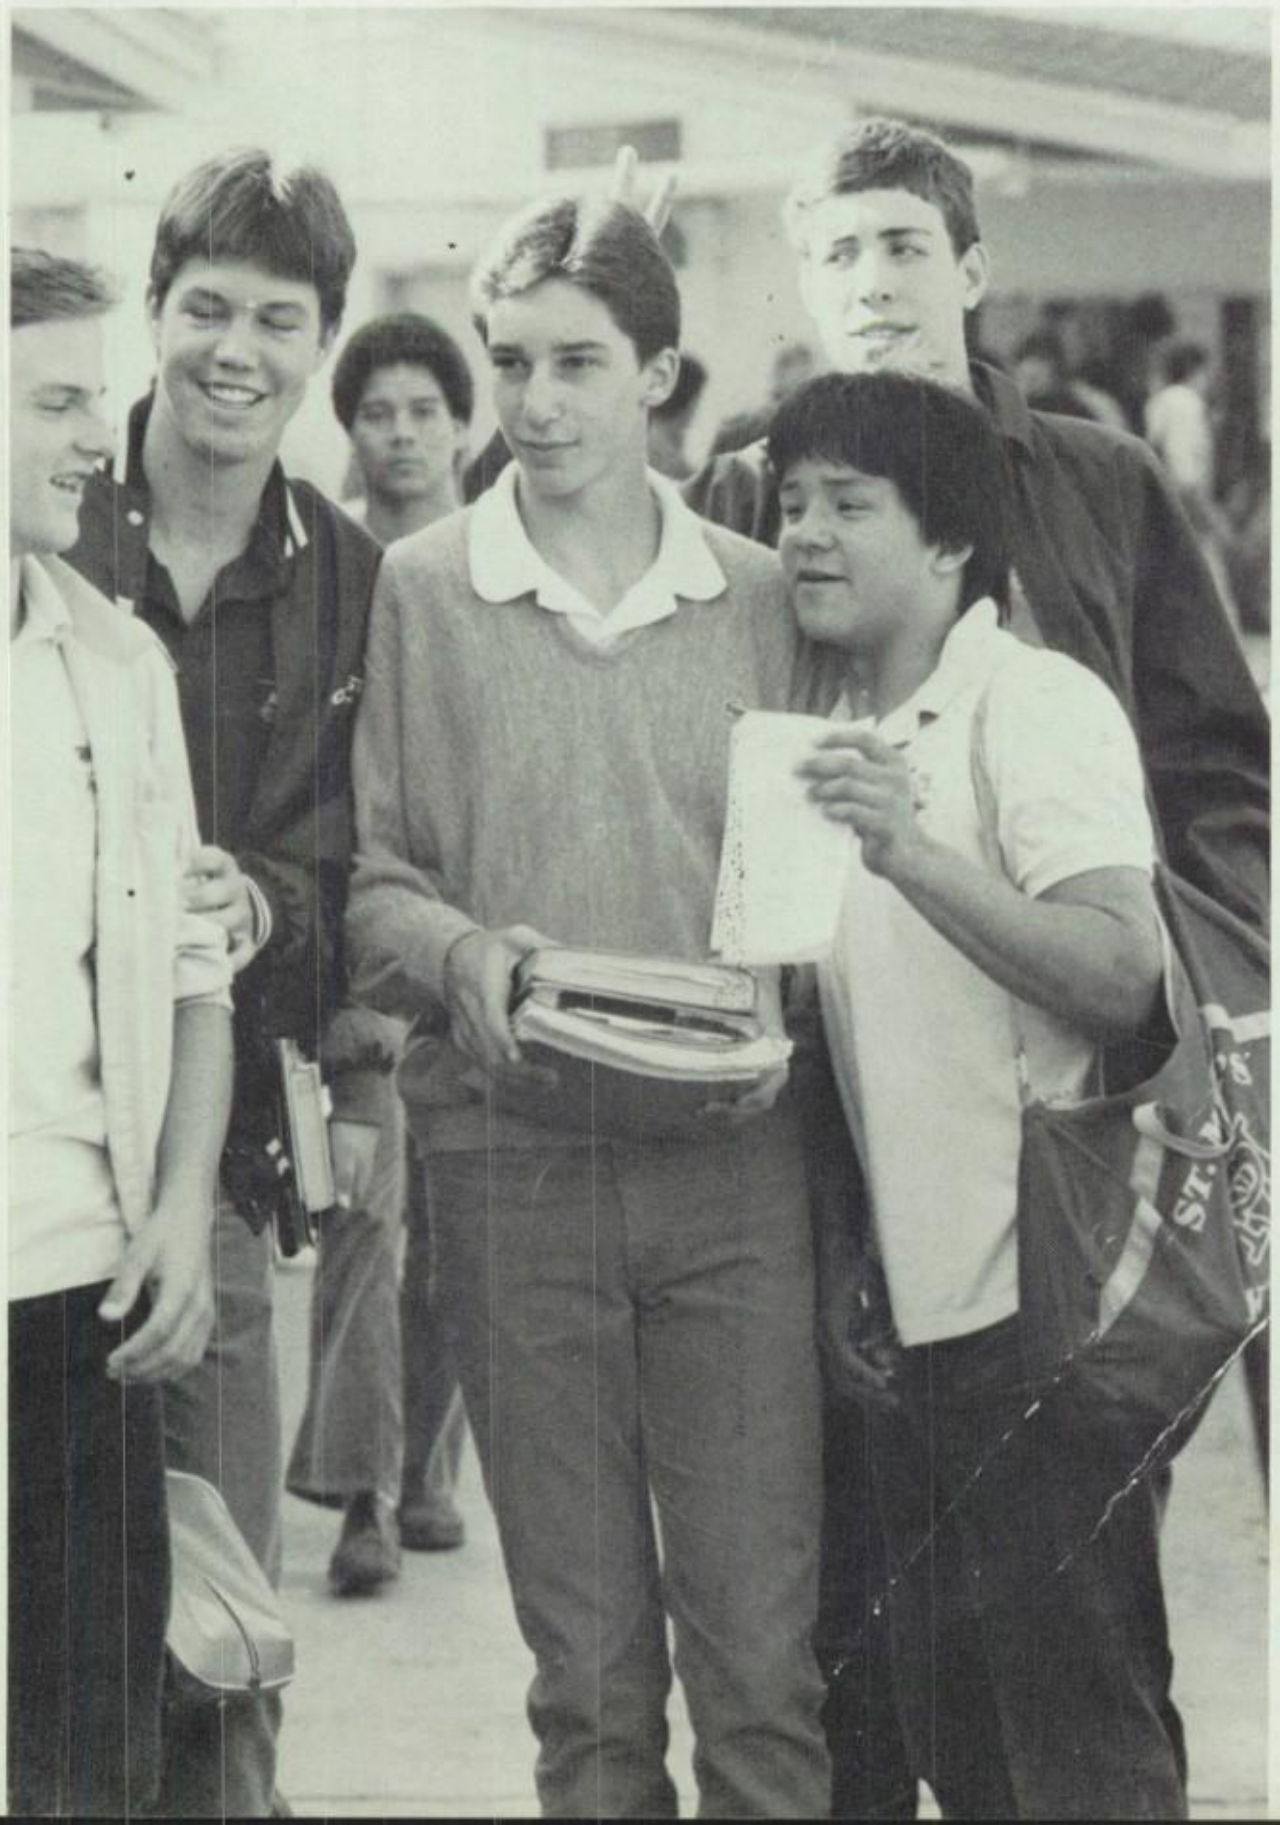
TOP LEFT: Queen Monica Hernandez and Mike Leal. TOP RIGHT: Angela Chavez and Gilbert Castillo. MIDDLE LEFT: Christina Saldate and Steve August. MIDDLE RIGHT: Jenny Marshall and David Benites. BOTTOM LEFT: Monica Sanchez and Hans Laughner.

A TYPICAL DAY ON THE SET

The typical day at St. Mary's involves more than attending classes. Everyday the students of St. Mary's are faced with new challenges, and new ideas. There is always something different happening, and something new to take part in. These differences from day to day are among the things that make attending St. Mary's enjoyable.

Top: Just waiting around for the Principal.
Left: "How about taking a picture now."
Right: Guess which one is out of place?

LEFT: Juniors: Ray Erran, Bill Facio, and Carlos Rodriguez are caught going to their lockers in between classes. BOTTOM: "Don't look at me, I didn't do it."



SENIOR GRADUATION

Graduation is the "grand finale" of four years of hard work and struggle. For some, it marks the end of their school career; for others it is only a beginning. When the seniors graduate, they are filled with emotions of triumph, success, and pride in what they have obtained, However, sorrow is also present at this special event. Some friends will have to part and seek their own individual paths in life. Students who graduate from Saint Mary's leave with a spirit and Christian fortitude that cannot be achieved anywhere else.

The El Caballero staff wishes the graduating class of 1985 all the love, joy, and happiness that life can give.

by
Gary Hadley

TOP LEFT: Onward and upward to graduation night. TOP RIGHT: Proud graduates of 1985. BOTTOM LEFT: Senior girls offer Mr. Hermann some last minute advise before graduation.

CANDLE ROSE CEREMONY

The Candlerose Ceremony is the passing of a spirit and responsibility from one Student Council to the next generation of officers. These officers hold the responsibility of assuring that the student body's views and opinions are presented to school officials.

The candle, which is given to the incoming officers, represents the responsibility of those students to be the guiding light for others to follow. The rose is given to the outgoing officers in recognition for his or her service and dedication to the school and the student body.

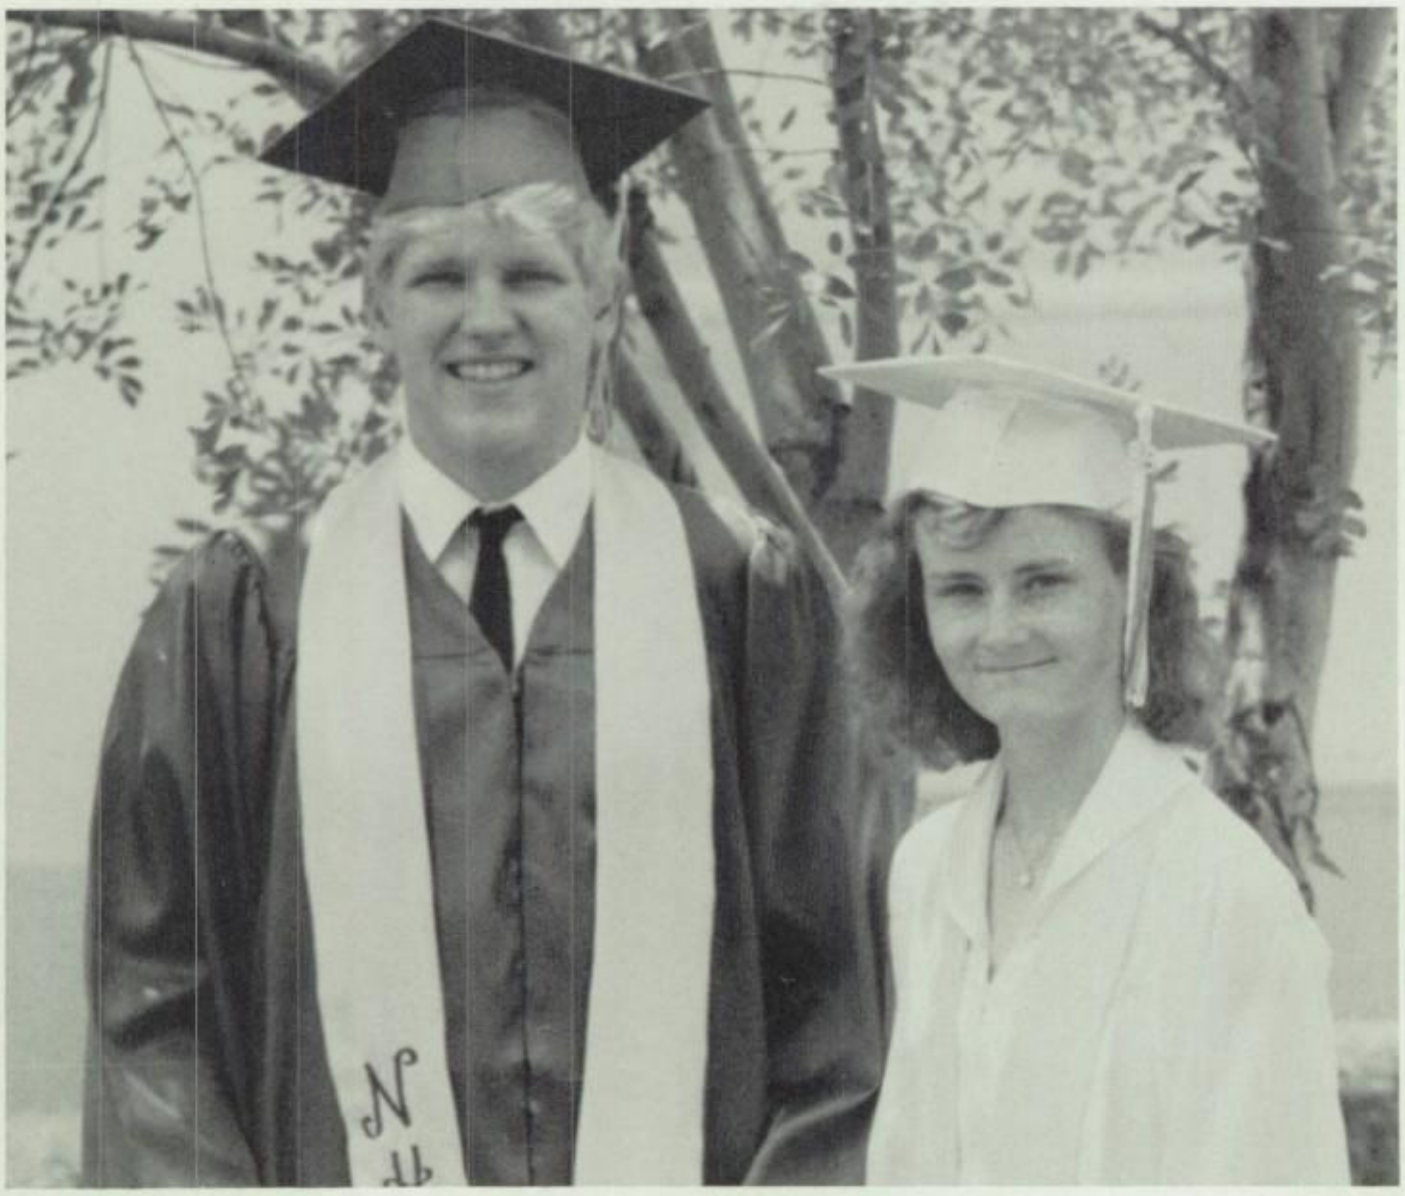
TOP LEFT: Outgoing President, Art McKinn, receives his farewell rose. TOP MIDDLE Ms. Lumb congratulates Lisa Lopez for her outstanding spirit as Senior Class President. TOP RIGHT: All smiles for Patsy Belanon as Mr. Hermann presents her award. BOTTOM RIGHT: Rod Medrano receives his candle as incoming Vice-President.

LADY AND KNIGHT OF 1985



The Lady and Knight of the Year are similar to the star actor and actress of a movie. The Lady of the year is chosen as the student who best exemplifies what St. Mary's is, both academically and in school spirit. The Knight is her counterpart who best shows the type of spirit, fortitude, and strength that is expected in all St. Mary's students. To be chosen as either Lady or Knight of the Year is a great privilege.

by
Gary Hadley

LADY OF THE YEAR: Teresa Kevane.
KNIGHT OF THE YEAR: Hans Laughner.

SALUTATORIAN AND VALEDICTORIAN

The Salutatorian and Valedictorian represent the best St. Mary's has to offer academically. For four years these two students have struggled, worked, and "burned the midnight oil" to reach this special honor. No matter what these two wish to do in the future, one thing is certain; they will be successful. The faculty and students congratulate them both.

Gary Hadley

VALEDICTORIAN: Teresa Kevane (left).
SALUTATORIAN: Lupe Arambula (right).

JUNIOR-SENIOR PROM

The Prom is much like the glamourous and elegant Golden Age of Hollywood, when actresses dressed in beautiful flowing gowns and actors in nice, trim tuxedos. Students will always remember their Prom as one of the special events in their lives. It is a night when life-long memories are born. Prom is a night when anyone and everyone can, and does, shine like stars.

The teaching and learning of a foreign language is a perfect tool for implementing the Gospel values, since by the knowledge of other languages and cultures, we come into contact with nations alien to us, and the service the learner can give becomes effective in our country, community and the world at large.

Mr. Soto

ORGANIZATIONS

STUDENT COUNCIL

The 1984-1985 Student Council did an exceptional job for St. Mary's by fulfilling its purpose of coordinating and sponsoring all of the school's activities. It also acted as "spokesperson" for the student body.

The Student Councl was very busy during the year, sponsoring many school activities, such as the Fall Fiesta, 8th Grade Day and most dances and class elections. The Student Council was also responsible for starting two new clubs: The Golf Club and the Bicycle Club.

As a team, the council has helped the school develop spirit and unity. That is what St. Mary's is all about.

BIKE AND GOLF

The Bicycle Club was an admirable institution introduced at St. Mary's this year. It's beginning can be traced back to a poll taken by the student body early in 1984. The students felt St. Mary's needed a club that would create a sense of sportsmanship, develop ability for true physical fitness, and provide a chance to broaden one's horizons. The Bicycle Club has fulfilled that need with the help of Bro. Gerard. This year as a team, the Bicycle Club has gone on many a bike trail and has had numerous experiences, which will never be forgotten.

The Golf Club was a prestigious organization led by Father Joe and Brother Gerard. It set out to provide instruction to a popular and delightful form of exercise.

The Club was started at the request of our own St. Mary's student body in a poll conducted by Ms. Lumb. One of the main purposes was to see if enough people were interested in having St. Mary's compete in the A.A.A. Skyline League of the golf world. When asked about any future club plans, Father Joe said, "We hope to play all through next year, and accomplish strong bonds of friendship, competition, and true sportsmanship."

Youth for Life members do such activities as picket abortion clinics and circulate anti-abortion literature. Nation-wide, Youth for Life and Right to Life organizations have been responsible for the closure of many abortion clinics. These courageous student should be commended for making a stand on this controversial issue.

NATIONAL HONOR SOCIETY

The National Honor Society ranks as one of the oldest and most prestigious national organizations for high school students. Chapters exist in three-fourths of the nation's high schools, and since 1921 millions of students have been selected for membership. Thousands of dollars in scholarships have been awarded to senior members since 1945.

Members are selected by a faculty council for meeting high standards of scholarship, leadership, service and character.

National Honor Society members are expected to continue their exemplary contributions to the school and community.

One very special service project the Key Club did this year came at Christmas time. Forty club members spent over 500 dollars on a huge party for a hundred underpriveledged second graders. The months were filled with fun and exciting projects. The Key Club advisor, Ms. Susan Lumb, was important in the development and strength of the tremendous Key Club spirit throughout the year.

SENATE

The Senate is the Saint Mary's "police force" which keeps discipline and order around the school. Under the direction of our Dean of Students, Mr. Sanford, the senators issue "summons" to appear in court where the offender is fined fifty cents. Senators give summons for many infractions such as: underclassmen's use of lockers between classes, improper dress, profanity, underclassmen's use of the front door, and many others. The Senate is chosen by teachers, who nominate the students who show the most responsibilty and leadership abilities. These students must be able to handle a good deal of authority in keeping "law and order" in our school.

CHAMPS OF AZ.

KNIGHTS WEAR GOLD PANTS

The traditional Montery Park workouts began in early July with the Knights gathered, preparing for the up and coming season. The eventual goal, as always and every year, was for the Knights to put on the gold pants for four victories, and come away with the State Title.

The Knights began their season with a disappointing 14-3 loss to McClintock, but rebounded as they always do, decisively defeating the next three opponents. The turning point in the Knight's season came from a loss to Moon Valley. It was a do-or-die situation with the Knights having to win the reamining 5 games to achieve the coveted Gold Pants.

With Coach Farrell at the helm, the Knights were steered to consecutive victories over Horizon, Apollo, Brophy, Deer Valley, and Shadow Mountain.

The Knights were now in the playoffs, led by a fine group of Seniors and determined underclassmen. They disposed of Prescott and Amphitheater, leading to the match with the McClintock Chargers.

The Knights had worked too hard and long under the tutelage of Coach Farrell to end the season early. They overwhelmed the Chargers rolling to a 24-7 victory. The Knights were now in the battle for the State Title. In the title game the team started slowly, but rolled to a decisive 31-14 victory. The Knights ended the season with a 12-2 record, along with the pride of being State Champs!

The 1984-85 Basketball Season can be summed up in a few words; a learning experience. The Knights could not get the right breaks at first, starting the season rather slowly. Yet, as the weeks progressed, the team began to show signs of great potential.

The team was led by the strong leadership of seniors, Steve Belles, Gilbert Castillo, Xavier Denogean and Hans Laughner. As the season came to a close, the Knights began to pick up the pace by winning their last four games and finishing 7-4 in league play. This record placed the Knights into the number two seat in the Skyline Division Playoffs. The ultimate game against Greenway proved to be a heartbreaker for the Knights, as they lost in the overtime by one point, 41-40.

The bright spot for the future of the team will be the leadership of junior point guard Mike De La Cruz and the improving consistency underneath the basket from sophomore Gary Blevins.

The Knights as a whole learned a good deal from the fine coaching of Head Coach Ron Gray and his assistant Tom Nunez. The team learned to play with patience and poise, but most importantly from the heart.

The 1984-85 Junior Varsity basketball season was typified by a series of peaks and valleys. The team started slowly, losing four of the first six games, but rebounded with a winning streak of eight straight after the Christmas break. The season highlights included an impressive pair of victories over Brophy and a J.V. Skyline Division Championship. The addition of Mark Wetzel and Leon Thompson after Christmas helped the J.V.'s to their overall reward of 13-6 and a league record of 10-2. The honorary captions were Mark Wetzel and Chris La Scala. The Knight's M.V.P. trophy went to Mark Wetzel, Frank Baratta captured scoring honors and Kevin Scott led the team in assists. Derek Pieri and Santiago Reyes shared the honor of Most Improved Players.

The 1984-85 Basketball season was a successful one for the young Knights. The freshmen finished their first season on the court with a 12-4 record, and the number 3 spot in the Skyline A Division. Their best game of the season was against previously unbeaten arch-rival Brophy.

The young Knights finished off their season with a four game winning streak, which is a good sign of things to come. Coach Denogen and Henry Lopez gave the players a great deal of support. The coaches attribute the teams success to hard work, dedication and team unity. The freshmen look forward to more successful seasons in the future and will be true to upholding the pride and spirit that is St. Mary's.

The season for the Lady Knights Basketball Team came to an end without the Knights claiming a winning record. However they grew as a team and as individuals, which is more important. It was a year of very young players and only two seniors, a combination that worked well together. They gave their all, remained dedicated and had fun. It was a season of hard work and accomplishments.

The Seniors realized all too well, how quickly the seasons roll by. From the seniors, a message to the Lady Knights of tomorrow: give your all, remain dedicated to yourself and the team, and strive for more everyday. Most importantly, be free and natural in the spirit of competition.

The J.V. baseball team started out slowly, but as the season progressed they finally came out of the blocks and played better baseball. Coach Farrell began as the head coach for the first five games, but due to previous engagements resigned his position to Coach Mike Gregory. The team started the season at 0-5, but then lost 2 and tied 1. Of the next 6 games the team lost 2 and tied 1, going into the Easter Vacation at 3-7-1. With five games left the main goal was to win at least four of them. The team ended the season with a 6-9-1 record. It was a good season but the team is looking forward to an even better one in '86.

The 1985 freshman baseball team had a fairly decent season with an overall record of 6-9-1. The Knights got off to a slow start, losing four of their first five games. It looked like their season would turn around when they won two straight. The scoreboard showed differently however, as the Knights lost their next five games. Despite all of the losses, the Knights managed to beat arch-rival Brophy two out of the three games in which they faced the Broncos. The freshman team came on strong at the end of the season winning their last three; however, the opponents out-scored them 143-139 for overall points. Most of the players, along with Coach Rideau, were satisfied with the record that they ended up with and look forward to being future stars at St. Mary's.

Every thing I did, and every time I tried, I failed. I never meant to hurt you like I did. Especially in Hawaii. I look back & everytime we ended up in a fight, I was to blame for my damn little attitude & I'm sorry! I guess I was just being selfish cause I wanted you all to myself. And that couldn't be possible so I got into one of my moods. And I'm sorry. I guess I still have alot of growing up to do, from now on I'm just gonna be kick back, and just keep my mouth shut. Well I guess I wasn't the right best friend for you. I warned you before, I was no good (think about it) And no I'm not feeling sorry for myself. Its just that I know my mistakes, and I realize that I've hurt you. I never meant to. I swear Dianna. Maybe somehow, someway you'll forgive me. I'm sorry Dianna! Well when we think about Dianna & Roxanne, lets drop the bad times, and just remember the good times. One good thing about the bad times was making up and hearing you say "I Love You Roxanne". I'm really gonna miss us Dianna. You just automatically became a part of me, that I'm never gonna forget. Thanks for all the memories we shared together.

SOPHOMORES

The sophomore class of '85 was one of dignity and pride. Over the past year they worked together in planning various fund raisers. Even before the school year had a chance to begin, the Sophomores began raising money through a summer car wash. One of their main fund raisers this year was the sale of buttons which read, "I'm proud to be a Knight." These buttons actually could be said to be the Sophomore class motto.

The Sophomore class has just begun to let St. Mary's see their "true colors" and the growth that is possible for them in the future years to come. I'm sure my fellow classmates would agree with me when I say, "I was proud to be a Sophomore."

By Joanne Sorrelman

you really made me feel special & wanted. And please dont ever forget that I love you. Youre probably bored listening to me say that. But when you love someone, why not tell them more than once right?

Well if you ever need me or someone to talk or a favor please dont hesitate to ask. Or if you ever just want to talk please do call. Good luck in everything you do. I'm sure you'll succeed in life because you have a good head on your shoulders. I wish you the best luck in Volleyball, I know how much it means to you, So go for it. Please take care & be careful. I'm real sorry. I guess I wasn't meant to be a best friend, because I always manage to fail...

SOPHOMORES' SPIRIT SOARS

TOP LEFT: We wear short shorts. TOP RIGHT: So Cool! BOTTOM RIGHT: What a crowd!

JUNIORS

The Junior class spirit was quite different from all the other classes in many ways. The Juniors were always in a big group and always cheering together. Another special thing about the class was the way they stuck together, whether at lunch or during a pep rally.

The most important characteristic of the Juniors was the spirit they showed at assemblies. The togetherness of the Juniors, as a class and as friends, will long be remembered.

SENIORS

The Senior class of 1985 is a small but mighty one. What it lacks in size, it makes up for in good humor and true Christian spirit. The Seniors have mixed feelings about graduating: sadness about leaving the security of St. Mary's yet gladness about moving on to bigger challenges. This class thinks of St. Mary's as their home, and feels as if the closeness of the school has bound them into one big family. The Seniors of 1985 hope they will be remembered as a class of leaders and as friends that the underclassmen can always look up to.

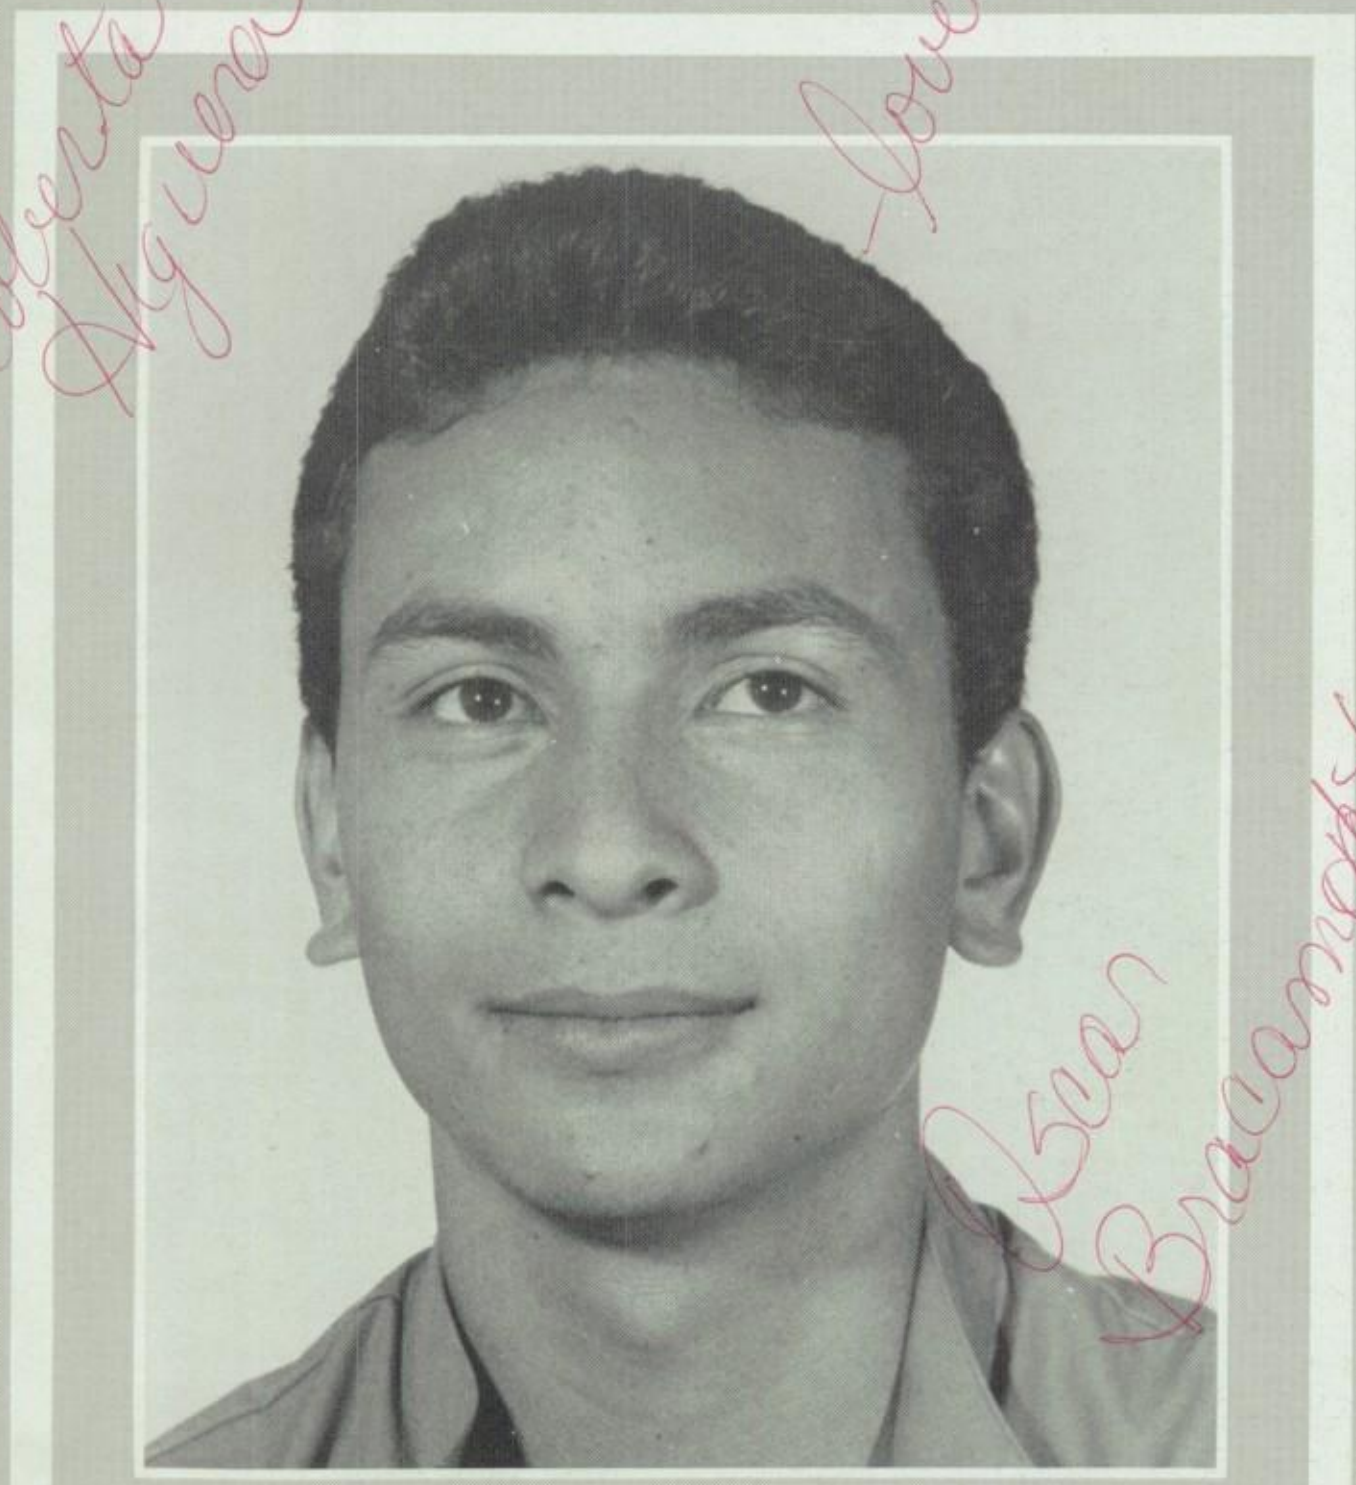
OSCAR BRACAMONTE
1967-1984



To say Oscar was kind, gentle, and giving may sound overused, but there are no better words to use because that is what he was.

When one thinks of Oscar, one must remember his smiling face. It seems he was always smiling in his own warm and inviting way. His smile however could never remain his own, for if you were near him you to began to smile. He made people happy.

Oscar was a good athlete and one of the best baseball players St. Mary's has ever seen. He also served his school well by being a member of the Accredidation Committee. He was always happy to be involved and doing something for others.

Oscar was a good person, and just maybe knowing him will make us better people. He ignited something in you. Whenever we think of him we get a warm, happy feeling inside and we smile.

Rest in peace old friend.

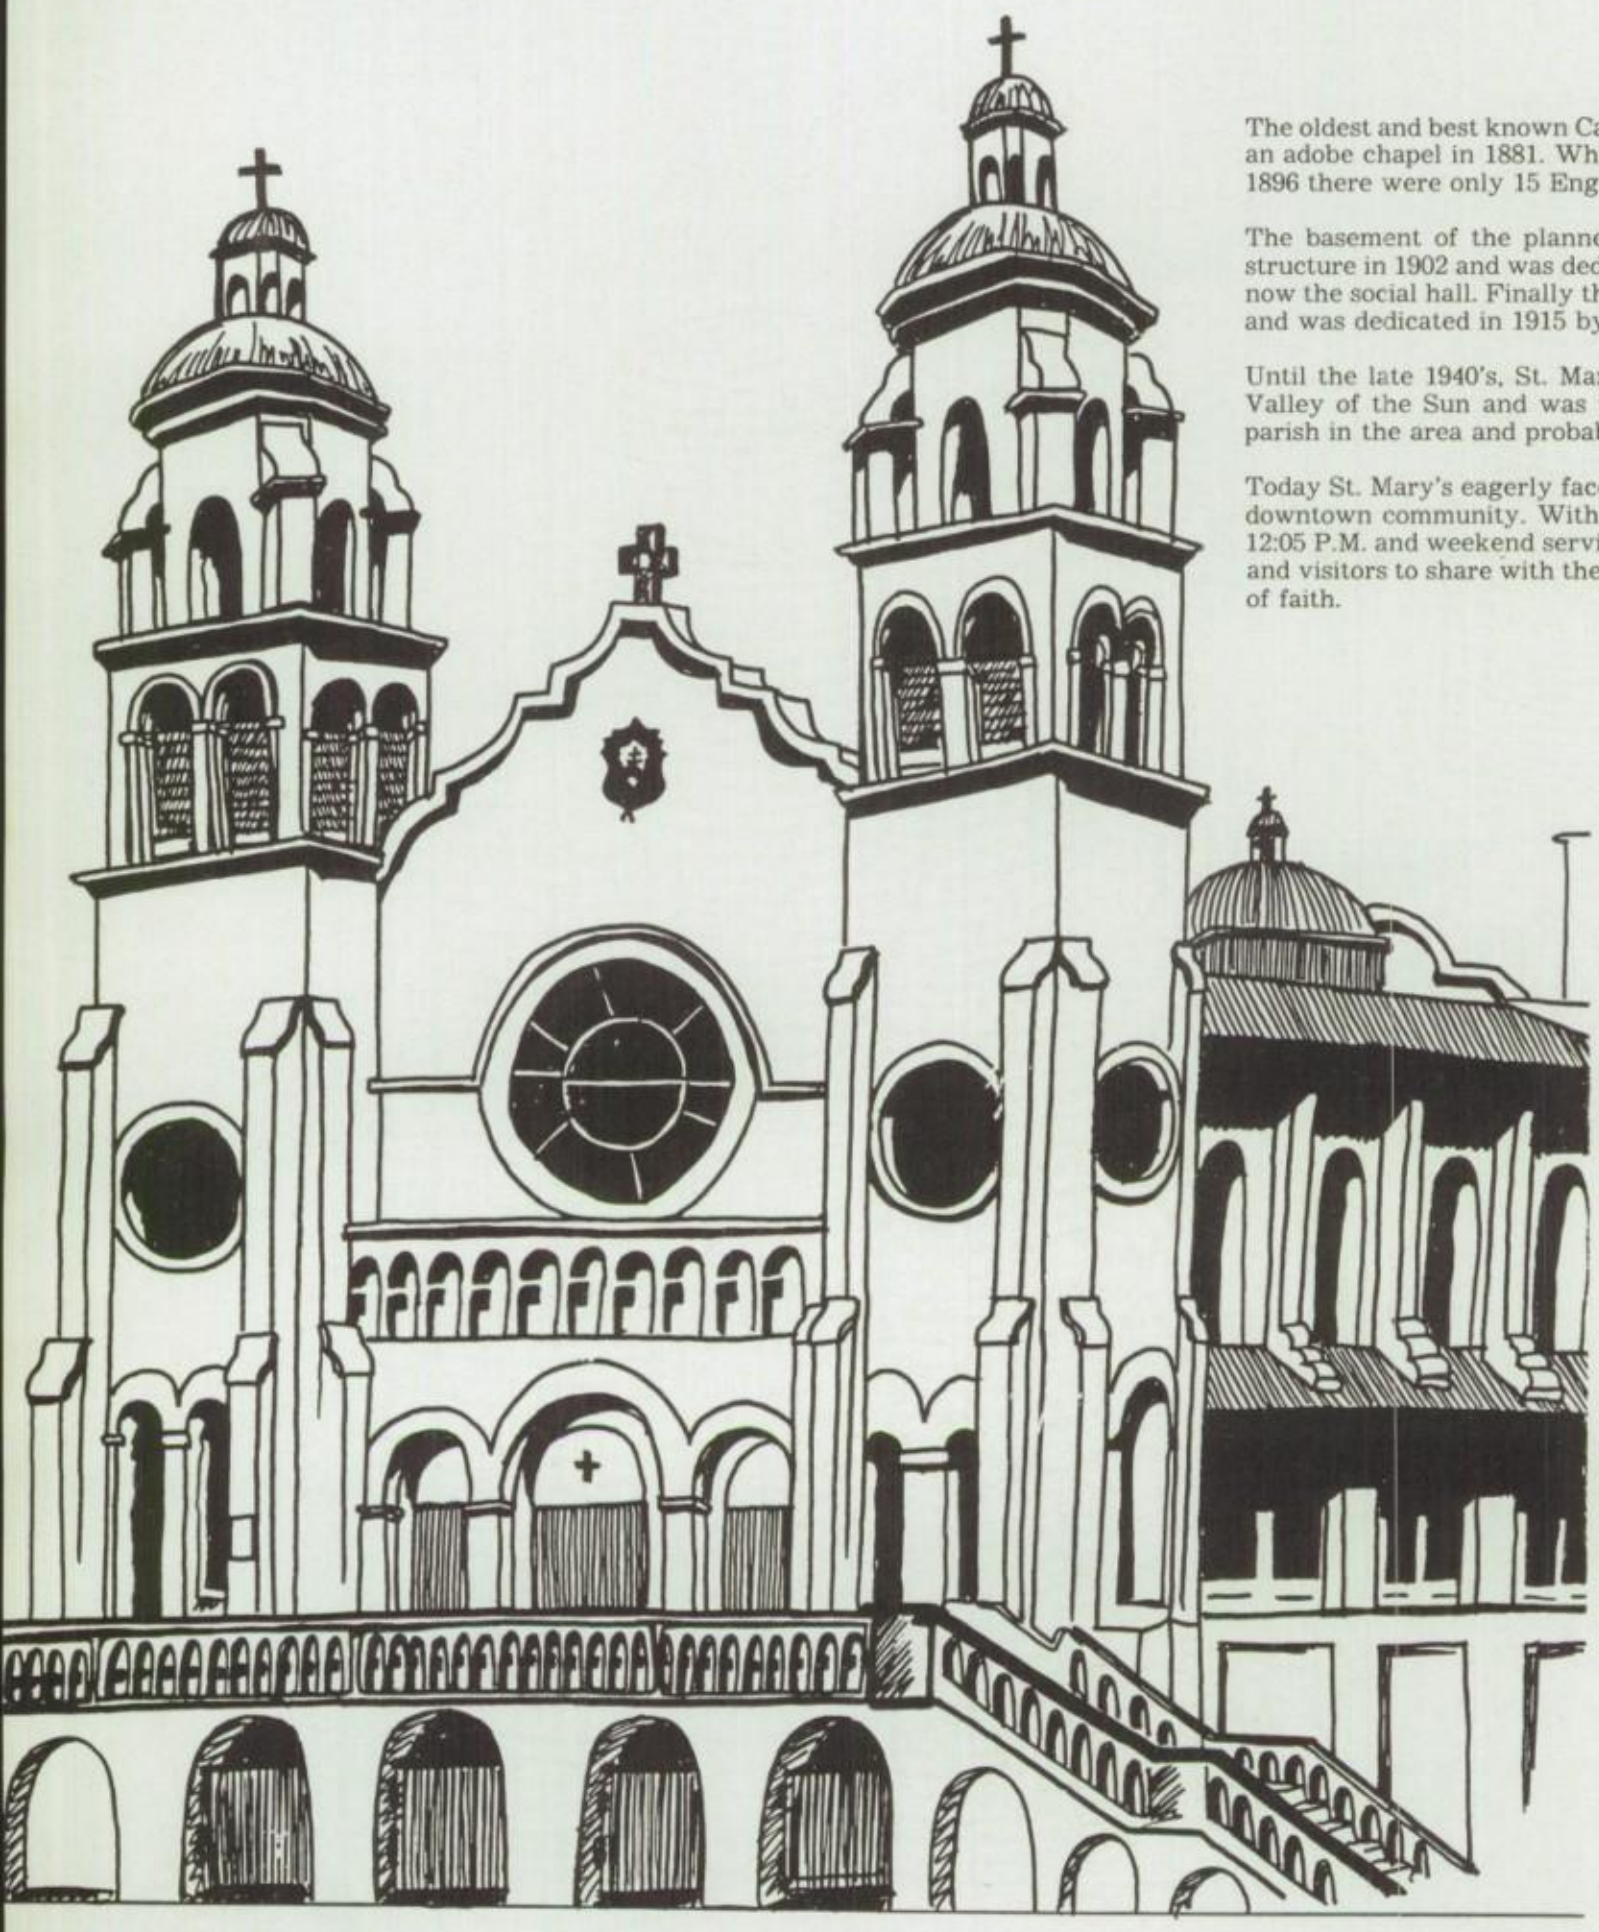
ST. MARY'S CATHOLIC CHURCH



The oldest and best known Catholic church in the valley began as an adobe chapel in 1881. When the Franciscan Friars arrived in 1896 there were only 15 English-speaking families in the parish.

The basement of the planned new church replaced the adobe structure in 1902 and was dedicated a year later. The basement is now the social hall. Finally the superstructure was begun in 1913 and was dedicated in 1915 by Bishop Henry Granjon.

Until the late 1940's, St. Mary's was the Mother Church in the Valley of the Sun and was without doubt, the most important parish in the area and probably the largest in size.

Today St. Mary's eagerly faces a new challenge of service to the downtown community. With two daily Masses at 7:00 A.M. and 12:05 P.M. and weekend services, this church welcomes residents and visitors to share with the parishioners a contemporary vision of faith.

IN JUST A MOMENT

All in just one moment, the school year becomes a mere memory. Four year friends and life-long friends it seems must part; but our memories are constant bonds that unify all Knights forever. And though it does seem our paths will never cross again, we may be sure that our memories will never be diminished by time or distance.

Farewell Seniors and farewell St. Mary's.
